► Introduction When the Lands Between was in ruins, the forces of darkness and evil emerged, and the Elden Ring, which was created with the power of the Elden Tree, was ultimately formed. Reaching its fullest potential, the Elden Ring protects the Lands Between and the balance of the world. With the Elden Ring's power, the world was created, and the Elden Tree is still nourished with the souls of humans and monsters. Even with the existence of a more powerful force threatening the Lands Between, the Elden Ring will not falter. In the game, you have the freedom to choose your path and play as an Elden Lord who will exert your will in the world. You can rise with the power of the Elden Tree, which bears hope, or you can become a part of darkness and descend with the power of the Elden Tree, which bears fear. Together, you will face strong enemies, and together, you will defeat them. ► Original Character Elden Ring: The lands between are in ruins. Only monsters haunt this lonely land, which hides a variety of mysteries. Seeing this barren landscape, the average person is left with a vague sense of unease, but in the Lands Between, he or she can find a world full of excitement. A person wishing to take on this place and become an Elden Lord arrives here, a person who became a part of darkness and power and who spreads fear. The protagonist of the game plays as the main character. Fate: This new fantasy action RPG is a brand new world that has not yet been touched by human contact. You will venture in this world, live within it, and become an Elden Lord by wielding the power of the Elden Ring and shaping the history of this land. Your struggle to find the way of destiny in the midst of this chaos. ► This is the Story An Earth unknown to humans and monsters was in ruins. Then, a great force entered this world. After this happened, monsters began to rapidly increase in population and spread across the surface. In the hopes of controlling this evil with light, people established a new law called the Elden Law, where monsters are killed, and humans and monsters are kept separate. However, the law was taken advantage of and becomes more and more of an obstacle to the monster-controlling power. To prevent it from crumbling, people

### What's new in Elden Ring:

**WHAT'S ON THE HORIZON. As Tarnished becomes more powerful, the lands surrounding the Elder Grove call for a hero to deliver divine wisdom to all. We will be adjusting the game content as more information comes in, but for now, we would like to state that the next content update (Oct, 2017), will include the following:**

- 1. New Story-based Mission and Skill System**
- 2. Thicker, More Dynamic Character Generation**
- 3. Class-Specific Class Improvement System**
- 4. New Map: the Cave of Foundry**
- 5. Revised Crafting System**

**WE'RE GEARING UP. As you have noticed, a skill evolution system is currently being implemented. In light of this, we are planning to rebalance the power of the Expert, Master, and Ascended classes. At the same time, we will be adopting a class-based system as a robust class upgrade system. As your Tarnished levels and skills increase, you will be able to step up the difficulty of challenges, as well as acquire new skills.**

- **New Main Character Class: Mage**

**Upon reaching Lv.90, you can upgrade your Tarnished to the Ascended Class (Lv.100), and receive 1 skill point for every 10,000 gold pieces spent. If your unlocked skill is higher than the current Ascended skill point requirement, you will be given access to unlock the Ascended skill that you need. If all Ascended skills are unlocked, the Ascended skill will be added to your character.**

**As a mage, you can use fire magic that is spell-like, mystic magic that is melee/casting melee, and royal magic that is a combination of fire and mystic. You can cast magic that increases your attributes, and can enhance your attributes to an astonishing degree.**

**As a fire mage, your skills include: Mystic Fire, Flame Whirl, and Burning Mirage. Flame Whirl increases the burning speed of your magic, and Burning Mirage spreads your fire to melee monsters. You can also learn hacking skills related to fire evasion.**

**As a mystic mage, your skills include: Spell-Like Skills, Hacking, and Dark Magic. Spell-Like Skills provide**
