Content In the summer of the year 892, a continent named Elden was formed as the land of dragons. A people that had forgotten the truth of the light were born, and used magic called the “Elden Ring” to subjugate dragons. As darkness spread over the world, many of the people that resided in this land were taken captive by the high-grade slaves of the people of Elden, and slaves were made to labor. Unfortunately, none of the slaves were able to escape. After year 400, a slave named Tarnished, who dreamed of freedom, discovered the holy book called “The Black Claw”, which led to the imprisonment of all of the slaves and the birth of a rebellion. The struggle that ensued was known as the “Lands Between”. System Elden Ring is powered by the

Source: [wordpress.com](https://www.wordpress.com) Al Franken's Senate seat is safe — he won't be leaving. And yet, we haven't seen the last of the Minnesota Democrat: Al Franken has been silenced — a rare response in a democratic society — by House Republicans who have stripped the former Alabaman of his committee assignments after admitting to having groped and assaulted a series of women. For a party of no, these guys are really going out of their way to make Franken uncomfortable. They're applying the standards they expect of Al Franken — not the one they've set for others — to him. In their midst, Franken has been reduced to a silent cowering rage. The injustice of this act is almost impossible to stomach. The need to make sure Franken isn't representing us is almost too much to bear. What's really going on here is that the Republicans are under

the influence of vile misogynists — the Donald Trump of the Western world, exemplified by the three most powerful Republicans — who stand united in their justification for sexual assault. Even, or especially, if it's your party's U.S. Senator. In April, the Republican Party did nothing when Matt Lauer, the chairman of NBC's "Today" show, was fired for a workplace infidelity. Yet the same Republicans went ballistic when "Today" co-anchor Savannah Guthrie casually remarked about
