recently asked fans to pick a
Saturday, Jan. 17, date to see the
new Amy Schumer film. As most of
you should know, that date was

February 13th. Now, I'm not going to begrudge him the change. That film is going to be in theaters on February 13, whether he gets it right or not. But, I don't mind the change. Seems like he's only leaving date open if it's, "right before I release the movie." A post shared
