

The original XCOM was one of the best games I played, and this sequel, although less detailed, really does it ... An Android game that contains all the parts of the game that I love. I really love the XCOM game and it was a great pleasure for me to find all the parts of the game that I love in an Android game (something like the Android version of XCOM: The Enemy in the Face, which works great and is very cool). The game also includes all the mission cards I love. I highly recommend this game on your phone or tablet if you love XCOM. It's a great game that's not embarrassing to play .
