why? well, for one, theyre the embodiment of everything you can imagine having a bad day in life. feelings are magnified, realities are exaggerated, emotions take on a momentum all their own, and the confines of a tiny town seem epic. somewhere just under the surface, like a flaring match of sinner sparklers, my gaze is held captive by the radha kumari. the temple priest tells me that it is a sacrifice that has to be performed in public. radha kumari has been chosen by the gods to sacrifice her worldly desires to pull the wheel of fate back from crisis and disaster. o..murder. paramour with his own set of gopis as witnesses. the windowless temple is beautiful, but my mind is racing as i stare at the shiva and ganesh images. it was the first time i had seen the aarti. the walls of the temple were covered with images of deities, but this was the first time i had seen the aarti performed before a cast of thousands. i have seen another temple perform the aarti before, but this one was unique in the sense that the intensity of the bhajans (chanting), the beauty of the kirtan (songs), the level of dedication, and the sheer number of cast were all on a scale i had never experienced. the guru and the devotees were lifted up into a wave of love and devotion. the guru was created to be a spiritual leader. in fact, he was first and foremost a priest. this doesn't mean that he was remote or unapproachable. he was loved, respected, and revered, and that is why he had his own pod of gopis to help him through the day.

the forte of the guru is in taking help and experience of others, and imparting that wisdom to others. in this process, he has to carry a lot of responsibility, and he has to commit a

lot of time, for he has to involve himself in all that is happening in the gopikas lives. this takes away from the other aspects of his life. so he has to think about what he is going to do every day. he has to look to his gopikas to get the best out of them, and at the same time try to serve the community as best he can, be the best example he can, and help when they get stuck. this is a byproduct of the guru's life in a way. his work as a priest (to me he is just a priest) was in fact the service of the community. but he had this other calling in his life that was happening in the lives of his chosen gopikas, so that is what mattered more than the service of the community. halloween is a big halloween party going on with lots of porn parties and other parties organized. this time they are organizing a huge halloween party! so its time to get out of the boring routine and get ready for some party on halloween! we have come for the sexy party with the hottest party girls showing their naughty stuff for you. be ready for some hot hardcore porn action with the hottest porn starlets as they get fucked hard in their wet pussies and other holes. on the 1980s divine lover movies you'll see exciting scenes with lots of nudity and hot hardcore sex. in these divine lover porn videos girls are wild as fuck and they have a lot of fun. their pussies are being
